OSAA / ONPOINT COMMUNITY CREDIT UNION STATE CHAMPIONSHIPS

Welcome to the OSAA / OnPoint Community Credit Union State Championships!

The OSAA and its member schools believe sports and activities provide meaningful participation opportunities for young people to challenge both mind and body. These opportunities enrich and expand our students' school experience and support their development into contributing members of society.

Congratulations to the students, coaches, and school communities who earned the right to compete in this state championship event! Through their participation, students learn to be part of something bigger than themselves; the meaning of respect for self and others; and essential life skills like grit, resilience, patience, and the ability to collaborate with peers towards a common goal.

We also want to recognize and thank all the parents and fans who continue to support students as they participate in sports and activities that will help prepare them to succeed in their future endeavors.

And a special thanks to OnPoint Community Credit Union for sharing our belief in the value of high school activities through their continued financial commitment. Together, we remain resolute in our efforts to provide opportunities for today's students to experience these lifelong memories.

Thank you for your continued support of Oregon high school activities.

About the OSAA

The OSAA is comprised of 290 member high schools representing more than 200 Oregon communities. A private non-profit, board-governed association, the OSAA is sanctioned by the Oregon State Board of Education and is a member of the National Federation of State High School Associations (NFHS).

It's History

The OSAA began in 1918 when administrators from 36 schools recognized a need for an organization to coordinate and regulate high school interscholastic competition. Thus the Oregon State High School Athletic Association was formed. The name was changed in 1947 to reflect the inclusion of activities outside of traditional athletics.

Mission Statement

The mission of the OSAA is to serve member schools by providing leadership and state coordination for the conduct of interscholastic activities, which will enrich the educational experiences of high school students. The OSAA will work to promote interschool activities that provide equitable participation opportunities, positive recognition and learning experiences to students, while enhancing the achievement of educational goals.

What the OSAA Does

Much like the NCAA at the collegiate level, the OSAA regulates the eligibility and competition of all high school students in the state. This includes everything from determining which league a school will compete in to sponsoring and administering state championships.

Funding

As a private, non-profit organization, the OSAA does not receive any state funding. Revenue is generated from three sources: school membership fees, state championship gate receipts and corporate sponsors.

OSAA Activities

The OSAA sponsors 113 team and 426 individual event state championships for students competing in 19 interscholastic activities:

Fall

Cross Country, Volleyball, Soccer, Football

Winter

Cheerleading, Wrestling, Swimming, Basketball, Dance/Drill

Spring

Speech, Solo Music, Choir, Band/Orchestra
Golf, Tennis, Track & Field, Softball, Baseball

Tualatin Hills Swim Club

February 17, 2023

Welcome to the Oregon School Activities Association 2023 Swimming State Championships at the Tualatin Hills Aquatic Center, offered in partnership with the Tualatin Hills Swim Club. We wish to congratulate all the athletes and coaches who, through hard work and perseverance, have qualified to swim in this event.

We are thrilled to have the opportunity to host and support athletes from the local area and around the state and share this event with friends and family.

As athletes, you have demonstrated your ability and commitment to the sport of swimming. By rising to this level, you have challenged yourselves and others to display good sportsmanship, quality swimming, and to swim faster and faster.

It has been said, "At the end of the day, it is the journey that creates the champion, not merely the final numbers posted on the scoreboard." This journey has been like no other and will assuredly be remembered for years to come.

The Tualatin Hills HMT Complex is also the venue for the Metro swimming, cross country, and tennis district events, and the OSAA State Tennis Tournament.

Once again, welcome to THPRD, and good luck to all.

Sincerely,

SCORING / PLACES AND POINTS - PARA-ATHLETE

Team points will be allocated back to the represented school to be added to their overall team point structure for the girls and the boys. If there is only a single race for an event and the genders are mixed, the points earned by that gender in order of finish for that race will be calculated. For instance, if there are three girls swimming and two boys swimming and the order of finish was girl in first, boy in second, and girl in third; points would be awarded by order of finish with the girl earning first place points and the boy earning second place points, etc.

If the points earned from a para-athlete move a team into trophy consideration and those points overtook another school, dual trophies will be presented for that position.

Example:

1st Team A: 80 points (not including para-athlete)

2nd Team B: 70 points (not including para-athlete)

3rd Team C: 60 points (not including para-athlete)

4th Team D: 50 points (not including para-athlete)

5th Team E: 48 points (not including para-athlete)

Team's A, B, C and D do not have any para-athletes that qualified. Team E had one para-athlete qualify that scores three team points in an event. Including those points would put Team E in 4th place with 51 points. Team D and E would both receive 4th place state trophies. If a school is already in trophy position and the para-athlete points move a school up (i.e. 3rd to 2nd) a school will receive both trophies.
