OSAA / ONPOINT COMMUNITY CREDIT UNION STATE CHAMPIONSHIPS

Welcome to the OSAA / OnPoint Community Credit Union State Championships!

The OSAA and its member schools believe sports and activities provide meaningful participation opportunities for young people to challenge both mind and body. These opportunities enrich and expand our students' school experience and support their development into contributing members of society.

Congratulations to the students, coaches, and school communities who earned the right to compete in this state championship event! Through their participation, students learn to be part of something bigger than themselves; the meaning of respect for self and others; and essential life skills like grit, resilience, patience, and the ability to collaborate with peers towards a common goal.

We also want to recognize and thank all the parents and fans who continue to support students as they participate in sports and activities that will help prepare them to succeed in their future endeavors.

And a special thanks to OnPoint Community Credit Union for sharing our belief in the value of high school activities through their continued financial commitment. Together, we remain resolute in our efforts to provide opportunities for today's students to experience these lifelong memories.

Thank you for your continued support of Oregon high school activities.

About the OSAA

The OSAA is comprised of 290 member high schools representing more than 200 Oregon communities. A private non-profit, board-governed association, the OSAA is sanctioned by the Oregon State Board of Education and is a member of the National Federation of State High School Associations (NFHS).

It's History

The OSAA began in 1918 when administrators from 36 schools recognized a need for an organization to coordinate and regulate high school interscholastic competition. Thus the Oregon State High School Athletic Association was formed. The name was changed in 1947 to reflect the inclusion of activities outside of traditional athletics.

Mission Statement

The mission of the OSAA is to serve member schools by providing leadership and state coordination for the conduct of interscholastic activities, which will enrich the educational experiences of high school students. The OSAA will work to promote interschool activities that provide equitable participation opportunities, positive recognition and learning experiences to students, while enhancing the achievement of educational goals.

What the OSAA Does

Much like the NCAA at the collegiate level, the OSAA regulates the eligibility and competition of all high school students in the state. This includes everything from determining which league a school will compete in to sponsoring and administering state championships.

Funding

As a private, non-profit organization, the OSAA does not receive any state funding. Revenue is generated from three sources: school membership fees, state championship gate receipts and corporate sponsors.

OSAA Activities

The OSAA sponsors 113 team and 426 individual event state championships for students competing in 19 interscholastic activities:

Fall

Cross Country, Volleyball, Soccer, Football

Winter

Cheerleading, Wrestling, Swimming, Basketball, Dance/Drill

Spring

Speech, Solo Music, Choir, Band/Orchestra
Golf, Tennis, Track & Field, Softball, Baseball
