OSAA / ONPOINT COMMUNITY CREDIT UNION STATE CHAMPIONSHIPS

On behalf of the OSAA Executive Board, our OSAA Staff, and our 301 member schools, we welcome you to the OSAA / OnPoint Community Credit Union State Championships!

The OSAA and its member schools believe education-based activities provide meaningful participation opportunities for young people to challenge both mind and body. These opportunities provide each of us with a platform to promote the holistic growth and development of our student participants into contributing members of society.

We want to recognize and thank all the parents and fans who support students as they participate in activities that will set them up for success when the competition is over.

And a special thanks to OnPoint Community Credit Union for sharing our belief in the value of high school activities. We remain aligned in our efforts to provide opportunities for students to create these lifelong memories.

Congratulations to the students, coaches, and school communities who earned the right to compete in this state championship event and thank you for your support of Oregon high school activities!

Meet the new K1 volleyball. As the trusted leader on the beach, Wilson is bringing the same expertise to indoor arenas.

The innovation behind the Wilson K1 taps the laws of physics to put the game back in the player's hands. New power lining technology transfers kinetic energy from ball to player, boosting your power to deliver stronger kills at higher speeds.

The Wilson K1 bridges the gap between innovation and individuals – making the game even more personal.

About the OSAA

The OSAA is comprised of 301 member high schools representing more than 200 Oregon communities. A private non-profit, board-governed association, the OSAA is sanctioned by the Oregon State Board of Education and is a member of the National Federation of State High School Associations (NFHS).

It's History

The OSAA began in 1918 when administrators from 36 schools recognized a need for an organization to coordinate and regulate high school interscholastic competition. Thus the Oregon State High School Athletic Association was formed. The name was changed in 1947 to reflect the inclusion of activities outside of traditional athletics.

Mission Statement

The mission of the OSAA is to serve member schools by providing leadership and state coordination for the conduct of interscholastic activities, which will enrich the educational experiences of high school students. The OSAA will work to promote interschool activities that provide equitable participation opportunities, positive recognition and learning experiences to students, while enhancing the achievement of educational goals.

What the OSAA Does

Much like the NCAA at the collegiate level, the OSAA regulates the eligibility and competition of all high school students in the state. This includes everything from determining which league a school will compete in to sponsoring and administering state championships.

Funding

As a private, non-profit organization, the OSAA does not receive any state funding. Revenue is generated from three sources: school membership fees, state championship gate receipts and corporate sponsors.

OSAA Activities

The OSAA sponsors 120 team and 426 individual event state championships for students competing in 20 interscholastic activities:

Fall

Cross Country, Girls Volleyball, Soccer, Football

Winter

Cheerleading, Wrestling, Swimming, Basketball, Dance/Drill

Spring

Speech, Solo Music, Choir, Band/Orchestra

Golf, Tennis, Boys Volleyball, Track & Field, Softball, Baseball
