OSAA / ONPOINT COMMUNITY CREDIT UNION STATE CHAMPIONSHIPS

On behalf of the OSAA Executive Board, our OSAA Staff, and our 301 member schools, we welcome you to the OSAA / OnPoint Community Credit Union State Championships!

The OSAA and its member schools believe education-based activities provide meaningful participation opportunities for young people to challenge both mind and body. These opportunities provide each of us with a platform to promote the holistic growth and development of our student participants into contributing members of society.

We want to recognize and thank all the parents and fans who support students as they participate in activities that will set them up for success when the competition is over.

And a special thanks to OnPoint Community Credit Union for sharing our belief in the value of high school activities. We remain aligned in our efforts to provide opportunities for students to create these lifelong memories.

Congratulations to the students, coaches, and school communities who earned the right to compete in this state championship event and thank you for your support of Oregon high school activities!

About the OSAA

The OSAA is comprised of 301 member high schools representing more than 200 Oregon communities. A private non-profit, board-governed association, the OSAA is sanctioned by the Oregon State Board of Education and is a member of the National Federation of State High School Associations (NFHS).

Its History

The OSAA began in 1918 when administrators from 36 schools recognized a need for an organization to coordinate and regulate high school interscholastic competition. Thus the Oregon State High School Athletic Association was formed. The name was changed in 1947 to reflect the inclusion of activities outside of traditional athletics.

Mission Statement

The mission of the OSAA is to serve member schools by providing leadership and state coordination for the conduct of interscholastic activities, which will enrich the educational experiences of high school students. The OSAA will work to promote interschool activities that provide equitable participation opportunities, positive recognition and learning experiences to students, while enhancing the achievement of educational goals.

What the OSAA Does

Much like the NCAA at the collegiate level, the OSAA regulates the eligibility and competition of all high school students in the state. This includes everything from determining which league a school will compete in to sponsoring and administering state championships.

Funding

As a private, non-profit organization, the OSAA does not receive any state funding. Revenue is generated from three sources: school membership fees, state championship gate receipts and corporate sponsors.

OSAA Activities

The OSAA sponsors 120 team and 426 individual event state championships for students competing in 20 interscholastic activities:

Fall

Cross Country, Girls Volleyball, Soccer, Football

Winter

Cheerleading, Wrestling, Swimming, Basketball, Dance/Drill

Spring

Speech, Solo Music, Choir, Band/Orchestra

PROGRAM NOTES

SCHOOL	CLASSIFICATION	NOTE:
Barlow	6A	<p>"Finding Our Way Home"</p> <p>The experience of loss can leave us feeling untethered, searching for direction in a world that suddenly feels unfamiliar. Yet in both music and life, the journey through grief often becomes a path toward reflection, connection, and ultimately hope. Our program explores this journey — not only for those who have passed on, but also for those who remain, learning how to move forward when someone who once felt like “home” is gone.</p> <p>Together, these works trace a path through grief, reflection, and renewal — a reminder that even in the darkest moments, we are all searching, in our own ways, for the path that leads us home.</p>
Nelson	6A	<p>“Der Tanz” makes light of the transitions from the eagerness of youth to the painful realities of aging. “Noriteo (Playground)” was inspired by the Korean and English versions of the childhood game of Red Light/Green Light. Written by a Korean-born composer who moved to Canada as a young boy, the song reflects on the bridge that the playground provided for him with his new classmates when he didn’t speak English. Playing Red Light/Green Light was familiar to a game he played in Korea and it allowed him to connect and make friends. “Te iwi e” has been taught to us by singers in our group who shared their family’s heritage through their knowledge of the rich music of the Pacific Islands. We begin the piece with a Samoan lapa, then move into the song which demonstrates traditional haka traditions. The song celebrates the members of our community that have passed on, and looks to the amazing community we create.</p>
Reynolds	6A	<p>Reynolds High School is excited to present a diverse program of music from around the world, music that looks upward and outward for guidance, to the clouds, to our mother figures, and to the strength of community. We begin in the streets of Cuba, asking, “Mother, where does this music come from, and how do I learn their song?” Next is American composer Rosephanye Powell’s choral anthem The Word Was God, inspired by John 1:1–3. We then visit the Romantic era with a secular work by Mendelssohn, longing to join the birds in the clouds. Jennifer Lucy Cook’s They Are Mother explores the divine mother’s creative spirit as a nurturing, nonbinary force often associated with nature. We conclude in the Philippines with two movements from Scenes from the North by Fidel Calalang Jr. Inspired by life in Ifugao Province on Luzon, the first movement, “Bird Calls,” and the third, “Chua-Ay,” depicts Igorot communities at work, chanting and pounding rice to separate grain from husk. This communal labor of love sustains and nurtures all, reminding us that whether we look to the sky, to a guiding voice, or to one another, music connects us across cultures and this shared human experience.</p>
